Airport

The Cancun International Airport is the only airport in the area

- Served by all major International Airlines from anywhere around the world.
- Communicated by a modern highway, it is located:
 - * From 15 to 30 min to the hotel zone of Cancun
 - * From 1h to 1h30 to the hotels of Riviera Maya

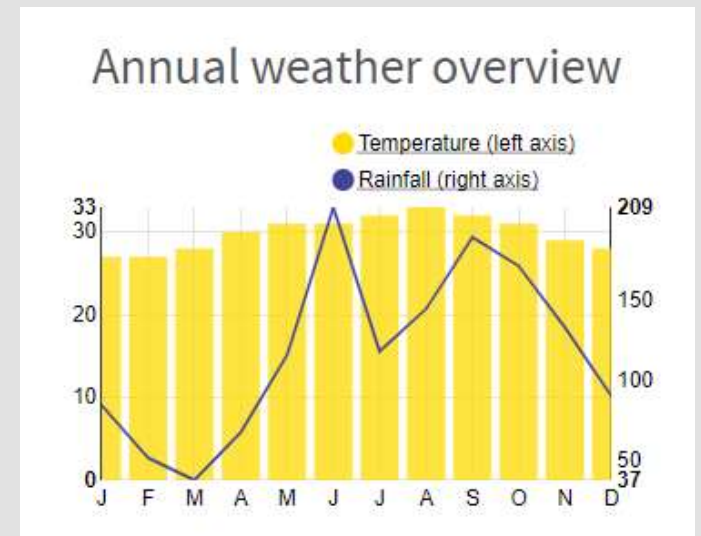

Transportation & Staff

- Private vehicles for all needs: SUV vehicles for VIPs, Minivans, Minibus, Motor Coaches with WiFi and toilets in most of them.
- Highly qualified English/Portuguese/French/Spanish-speaking staff & coordinators
- Porterage service at airport
- Complimentary mineral water

Weather

- Warm tropical climate all-year-round
- The “dry” season from **December to April**: Peak season, popular and expensive period.
- The “wet” season, from **May to November**: Short showers, 7 to 10 hours of sunshine a day, low occupation at hotels, best rates.
- Average temperature = 26°C
